## **Board of Directors Openings Bucks County Drug and Alcohol Commission, Inc.**

The Bucks County Drug and Alcohol Commission, Inc. (BCDAC) currently has open seats on its Board of Directors and will have additional positions being vacated by attrition in the coming months that need to be filled. This is a volunteer governing board with no compensation but offers a rewarding way to actively participate in important issues in Bucks County. BCDAC, Inc. is the Single County Authority (SCA) responsible for planning and funding prevention, intervention, treatment and recovery support services in Bucks County.

BCDAC, Inc. has a Board of Directors of up to 13 or 15 members. Each member serves a three-year term and can be reappointed to a second three-year term. These board members represent county residents and can include different interest groups including Criminal Justice, Business, Community, Student, Clergy, Education, Psychosocial, Older Adult, Medical, etc.

The Board of Directors determines the overall direction of BCDAC, Inc. programs and each year approves budgets including agency administration, as well as various prevention, intervention, treatment and recovery support programs in the county.

The Board of Directors meets bi-monthly, the third Wednesday of the month at 7:00 pm. At this time, meetings are held virtually, though future meetings may be held in person at the Doylestown Administration Building.

Additionally, members serve on at least one committee (Program Services, Executive/Finance, Personnel, etc.)
