Resources for Residents – Where to Turn for Help During COVID-19

During these unprecedented times, the Bucks County Drug & Alcohol Commission, Inc. continues to be available to help with any questions, concerns and needed resources. Please contact our Approval of Care Department at **215-444-2730** (Monday – Friday from 8:30 am to 4:30 pm).

An additional resource is Bucks Human Services Connect – The Hub. The Hub provides access to all human services resources, in-person and virtually, for Bucks County residents, their families and those who support them. The Hub is located on the first floor of the Administration Building in Doylestown, Monday through Friday from 10:00 am to 4:00 pm. Call **215-348-6201** or email TheHub@buckscounty.org.

There have been some changes as to how drug and alcohol treatment and services are accessed. The information below will help guide you in connecting with drug and/or alcohol treatment, as well as give some additional resources. Adult and adolescent services are available throughout Bucks County.

The first step in accessing treatment is to have a drug and alcohol assessment to determine the type of treatment and recovery plan needed. Many of the assessments will occur via Telehealth. For more information, please call our Approval of Care Department at 215-444-2730 or visit www.bcdac.org. If treatment is needed after hours, you or your family member can go to or call Gaudenzia Lower Bucks, which is available 24/7.

- **To access treatment for those who have private health insurance**, call the number on the back of the insurance card listed under Mental Health/Substance Abuse to find an in-network provider.
- **To access treatment if you are a Veteran, or have Medical Assistance or do not have insurance**, please call one of the agencies below. Individuals who are considered a priority population, such as pregnant women who use substances, persons who inject drugs, overdose survivors, Veterans and adolescents, are exempt from any limitations. Preferential treatment is given to pregnant females. Please call one of the agencies listed below for an assessment.

Family Supports

Free Family Education and Support Groups are available to help family members of individuals with substance use disorder. Call our office at 215-444-2700 or contact BCARES Family Connect for details.

BCARES Family Connect is made up of a group of family members who all have a loved one with a substance use disorder. The goal of Family Connect is to support families and loved ones of persons suffering with substance use disorders by sharing their lived experiences and connecting them to resources to help in their journey. Family Connect volunteers are available 24/7 by telephone, text or email. They can be reached via email at BCARESFamilyConnect@gmail.com.

Centers of Excellence

A **Center of Excellence (COE)** is an agency identified to help ensure that underinsured and uninsured individuals with substance use disorder stay in treatment to receive follow-up care and are supported within their communities. There are two Centers of Excellence in Bucks County: St. Luke's Penn Foundation, Inc. (267-404-5990) and Family Service Association of Bucks County (215-757-6916).
