Act 53

Do You Have a Child Age 12 to 17 with an Alcohol or Drug Problem? Wondering where to turn?

We can help, by providing information on community and family resources, support groups, school services, etc. If your child refuses treatment, there is another option. The legal system can require your child to enter drug and alcohol treatment. To get the process started, call the Bucks County Drug & Alcohol Commission, Inc. (BCDAC, Inc.) at 215-444-2730 and mention Act 53.

What is Act 53?

ACT 53 is a law in the state of Pennsylvania. Act 53 allows a parent/legal guardian to get a drug and alcohol assessment for their child, and if warranted, compel the child to enter treatment.

Criteria

- The parent/legal guardian believes that their child has a drug or alcohol problem;
- There is evidence that their child has had a drug or alcohol problem within the last 30 days – please provide specific date(s);
- The child is unwilling to participate in a treatment program;
- The child must be a resident of Bucks County; and
- The child must be between the ages of 12 and 17

If the above criteria are met, BCDAC, Inc. will guide the parent/legal guardian through the Act 53 process.
